

🐾 BRUNSWICK R-II COVID-19 PLAN 🐾

Safe Return to In-Person Instruction and Continuity of Services Plan

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

Safe Return to In-Person Instruction and Continuity of Services Plan

Dear Brunswick R-II Families and Staff,

Our goal moving forward is to continue to provide face-to-face, in-person instructional days as safely as possible. The benefit of direct instruction allows teachers to customize material to meet each child's needs, monitor progress and comprehension, promote critical thinking and decision making while accessing information with a deeper understanding. The Brunswick R-II School District will continue to provide for the social, emotional, and mental health needs of students and staff. Counseling services as well as other resources are available. It is our objective to provide this learning environment while incorporating additional safeguards to protect the safety of our students and staff. During the coming months we would ask for your flexibility and understanding as we work to make this possible.

The Safe Return to In-Person Instruction and Continuity of Services Plan has been created with feedback and guidance from district families, Brunswick R-II staff, the Chariton County Health Department, Center for Disease Control, and the Missouri Department of Elementary and Secondary Education.

As information regarding the ever-changing situation of COVID-19 becomes available, please anticipate that we will adapt and update this plan. The information outlined throughout this document is specific to the Brunswick R-II School District and our community. These recommendations are supported by the Chariton County Health Department.

By promoting student opportunities to learn and be successful with proper encouragement and instruction in a safe, orderly environment we are fostering a learning experience that will prepare our Wildcats for the future!

Together in Education,

Cara Engelbrecht
Superintendent

Scott Singleton
High School Principal

Heather Sims
Elementary Principal

**This plan will be made available in other languages upon request.*

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

INCREASED SANITATION

- The Brunswick R-II School District COVID-19 Plan is built upon the guidance and recommendations of the Chariton County Health Department, the Missouri Department of Elementary and Secondary Education, and the CDC. It is designed to prioritize the health and safety of students and teachers as we reopen the school and deliver instruction for the 2021-2022 school year.
- Our goal is to continue face-to-face instruction in a traditional educational setting while implementing necessary safeguards for the health and safety of our students and staff.
- This plan is a fluid document that will be updated and adjusted as new information becomes available. Information/updates will be made available through Remind text alerts, the school website (www.brunswick.k12.mo.us), and the Brunswick R-II School District Facebook page.

Our COVID-19 Plan is built around the following foundational priorities:

- Increased Sanitation
- Social Distancing
- Screening
- Protective Measures
- Limited Visitor Access
- Alternative Methods of Instruction

COVID-19 **RESOURCES**

- CDC - <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

- Carroll County Health Department - <https://www.carrollcohealth.com/>
- DHSS - <https://health.mo.gov/>
- COVID-19 Hotline - 877-435-8411

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

INCREASED SANITATION

- Before, during, and after school hours, custodians will clean high touch surfaces throughout the building, including bathrooms, water bottle fill stations, doorknobs, entrance/exit handles, walls, etc.
- Classrooms and other common spaces will be cleaned and disinfected regularly throughout the day. Electrostatic sprayers will be used to sanitize the building each evening.
- Cleaning materials and hand sanitizer will be placed in every classroom. Staff will be expected to support cleaning and disinfecting of classroom surfaces and supplies as needed.
- Hand washing stations with soap and/or hand sanitizer will be available in classrooms, commonly used areas, and at the entrances and exits of the building.
- Touchless refillable water bottle stations will be available for individual drinking containers.
- All school buses will be thoroughly sanitized before each route.

Tips to help control the spread of illness.

Wash hands with soap and water for at least 20 seconds. Use alcohol-based hand sanitizer if soap and water are unavailable.

Cough or sneeze into your elbow or tissue. Throw the tissue in the trash. Wash hands or use hand sanitizer.

Clean and disinfect frequently touched objects and surfaces.

Avoid touching your face with unwashed hands.

Avoid contact with people who are sick and stay home if you are sick.

Stay healthy.

SOCIAL DISTANCING

- The goal is to minimize exposure to as few other students and staff members as possible. Staff and students must do their very best to maintain as much distance as possible from others.
- Assigned seats will be given in common areas (classroom and lunchroom). This will assist with contact tracing purposes in conjunction with the local health department if needed.
- Students will go immediately to designated areas upon arriving at school and will not congregate in hallways or gym.
- Each student will have their own supplies (pencils, crayons, scissors, glue, etc.). Shared supplies will be eliminated.
- Students will be socially distanced to the greatest extent possible in classrooms.
- The District will continue to offer extracurricular activities while following guidelines established by each organization's governing bodies and local policies.
- Hand sanitizer will be available to students when loading and unloading the bus.

SCREENING

- Students and staff who experience symptoms related to COVID-19 should NOT come to school.
- There will be no perfect attendance incentives during the 2021-2022 school year.
- Learning opportunities will be provided for all students who stay home due to illness.

*Symptoms may appear 2-14 days after exposure to the virus.

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

SCREENING

- We will look to our teachers to be our strongest line of defense in recognizing student illness. Each teacher will have a no-touch thermometer to utilize at the first sign of concern. Teachers know their students and they will likely recognize if a student is not feeling well. This process will reduce student activity in the hallway and therefore, cut down the transfer and exposure of germs to other students and staff.
- Students or staff who display symptoms of COVID-19 while at school will be moved to a designated area within the school building to minimize contact with others until they go home.
- If the Brunswick R-II School District receives official notification of a student or staff member testing positive for COVID-19, all staff, parents, and students will be notified via the Brunswick R-II School District website COVID-19 dashboard.
- If your child was found to be at a sufficient risk for exposure through contract tracing completed by the Chariton or Carroll County Health Department, you will be directly contacted by them.

What is Contact Tracing?	Contact Tracing Involves
Contact tracing is used by health departments to prevent the spread of infectious disease.	Interviewing people with COVID-19 to identify everyone they had close contact with during the time they may have been infectious. According to CDC guidelines, close contact is considered within 6 feet for 15 minutes or more.
In general, contact tracing involves identifying people who have an infectious disease (cases) and people who they came in contact with (contacts) and working with them to interrupt disease spread.	Notifying contacts of potential exposure.
This includes asking people with COVID-19 to isolate and their contacts to quarantine at home voluntarily.	Referring contacts for COVID-19 testing.
Contact tracing is a core-disease control activity. It has been used for decades to slow or stop the spread of infectious disease.	Monitoring contacts for signs & symptoms of COVID-19. Connecting contacts with services they might need during the self-quarantine period.

**Students and staff may be contacted to assist with contact tracing efforts, review assigned seating charts, and to determine which individuals the positive case had contact with while contagious.*

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

SCREENING

The return to school guidelines below will be used to allow for a student/staff member to return to school in the ABSENCE of a diagnosis related to COVID-19 such as allergies, strep, ear infection, pink eye, etc.

Persons with illness other than COVID-19:

- Must be fever free a minimum of 24 hours without fever-reducing medication
- AND have an improvement in symptoms

The return to school guidelines below will be used if a student or staff member has a positive COVID-19 test or is diagnosed as a presumptive COVID-19 positive by their health care provider. Brunswick R-II School District will follow local, state, and/or federal guidelines for return to school.

Persons with COVID-19 who HAVE symptoms:

- Must be fever free a minimum of 24 hours without fever-reducing medication
- AND have an improvement in symptoms
- AND be at least 10 days since symptoms first appeared

Persons with COVID-19 who NEVER develop symptoms:

- May return 10 days after the date of their first positive test

PROTECTIVE MEASURES

- Parents should discuss the importance of social distancing with their children prior to the start of school. It will be difficult to ensure students maintain distance, but it is necessary for staff and students to understand the importance of doing so to help prevent exposure.
- All students and staff will be allowed to wear a mask or face covering.
- All students will be allowed to wear a mask while riding the bus.
- Due to possible medical related concerns, we understand that not all staff and students will be able to wear masks for long periods of time.
- Existing student and staff dress codes will apply to face coverings that are worn.
- Staff and students will be informed of vaccination opportunities, times and locations.
- The Brunswick R-II School District will follow requirements of local, state, and/or federal health officials.

LIMITED VISITOR ACCESS

- In order to minimize the exposure of all students and staff to others, the school district will have one point of entry for all parents/visitors during the school day at the new elementary office addition (southwest doors).
- Non-essential visitors and parents will not be permitted beyond the secure vestibule.
- Any essential visitors that enter the building will be required to:
 - Enter at the new elementary office addition (southwest doors)
 - Have their temperature taken
 - Answer screening questions

Extra-Curricular Activities

- The determination on extracurricular activity participation will be made based on recommendations from the organization's governing bodies (National FFA Organization, MSHSAA, etc.), guidance from the Chariton County Health Department and CDC, as well as local school officials and the Brunswick R-II Board of Education.

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

ALTERNATIVE METHODS OF INSTRUCTION

Brunswick R-II School District Alternative Methods of Instruction Plan (Grades K-12)

Alternative Methods of Instruction (AMI): To be utilized in the event of an unanticipated short-term school closure for exceptional or emergency circumstances which include, but are not limited to, inclement weather, a utility outage, or a short-term outbreak of a contagious disease.

The goal of the AMI plan is the reinforcement of curriculum with learning activities focused on critical learning standards, enrichment activities, or support for further skill development. Consistent practice and exposure to skills without interruption is the most effective way to ensure student understanding and mastery of content knowledge is achieved. AMI allows for the continuation of learning when students miss days of regular instruction. During these times, parents and/or guardians may be asked to oversee or participate in activities and/or lessons with their children and provide school staff with feedback and data relative to the lesson.

Important items to remember about AMI days:

- Students will NOT attend school in person on an AMI day. All students will have assigned work to be completed at home on these days.
- AMI days count as instructional days and do not have to be made up at the end of the school year.
- AMI days may be eligible for District provided meals.
- **Students who do not complete the work will be marked absent for the AMI day AND will receive a zero for that assignment.**
- **AMI IS FOR A GRADE!**

We will notify all parents and/or guardians, via text alert, and social media postings in the event of school closures and use of AMI days. In the event of school closing, teachers will be accessible for questions, clarification, and feedback through email or classroom communication platform.

If you have further questions or concerns, please do not hesitate to contact the school.

ALTERNATIVE METHODS OF INSTRUCTION

Brunswick Elementary School Alternative Methods of Instruction Plan (Grades K-6)

Learning Platforms
<ul style="list-style-type: none">• For the distribution of instructional information, we will use:• Textbook/paper packets• Electronic or web-based materials and/or applications• Online lessons/videos through Google Classroom, Seesaw, or ClassDojo
Frequency of Notification of Assignments
<ul style="list-style-type: none">• An outline of the AMI day assignments will be posted on the classroom communication platform (Seesaw for PreK-K/ClassDojo for grades 1-6) by 8:30 a.m. on the AMI day.
Student Support
<ul style="list-style-type: none">• Google Meet/Zoom: Teachers and other staff will be available for instruction, tutoring, questions, and other communication at a specific time. Please see attached chart.• Teachers and other staff will be available by email and classroom communication platform to provide support and assistance for students from 8:15 a.m.-12:15 p.m.• After 12:15 p.m., messages will be responded to within one business day.
Instruction
<ul style="list-style-type: none">• Teachers will provide virtual instruction using videos.• Teachers will use Google Meet or Zoom for face-to-face instruction, tutoring, and/or other communication with students. Links will be posted on the class communication platform.
Student Progress
<ul style="list-style-type: none">• Students will be required to complete all assignments.• Grades will be kept up-to-date and can be accessed through the Parent Portal on SIS.
Grading and Accountability
<ul style="list-style-type: none">• Students will be held to the same standards, deadlines, and expectations as in-person learning.• Letter grades will be given.
Attendance
<ul style="list-style-type: none">• Student attendance will be recorded and documented based on completion of assignments.

ALTERNATIVE METHODS OF INSTRUCTION

SPECIAL EDUCATION LEARNERS: The specific needs of each special education student are outlined in the student's Individual Education Plan (IEP). Teachers will continue to apply the accommodations and modifications required for each student per their IEP. During a district closure, special education teachers will be in contact with students and/or parents on a daily basis to ensure the continuity of service is provided as is appropriate. Students with IEPs will continue to receive support services. Special Education case managers will continue to address individual IEP goals.

ALTERNATIVE METHODS OF INSTRUCTION

Elementary Staff Google Meet/Zoom Schedule

Staff members will be available during the designated time below on either Google Meet or Zoom to provide instruction, tutor, answer questions, provide clarification, and/or other communication.

The links will be made available on your child(ren)'s classroom communication platform (Seesaw/ClassDojo).

Google Meet/Zoom is optional for elementary students and students are not expected to log on for the entire time. It is an opportunity for staff members to provide assistance to students.

Hour	Google Meet/Zoom Time
Miss Amber & Miss Gaye Preschool	8:30-9:15 a.m.
Mrs. Meyer & Miss Karen Kindergarten	9:15-10:00 a.m.
Mrs. Mulch 1 st Grade	10:00-10:45 a.m.
Ms. Britton 2 nd Grade	10:45-11:30 a.m.
Mrs. Byrd 3 rd Grade	8:30-9:15 a.m.
Mrs. Hainline 4 th Grade	9:15-10:00 a.m.
Ms. Campbell 5 th Grade	10:00-10:45 a.m.
Mrs. Bowyer 6 th Grade	10:45-11:30 a.m.
Mrs. Schuchmann, Mrs. Bartholomew, Mrs. Edmundson, Mrs. Dye Special Education	TBA – Special Education Teachers will be in contact with students and/or parents
Tutoring Sessions: Mrs. Kahn (Gr. 4-5-6) Mrs. Sanders (Gr. 2-3) Mrs. Zeilstra & Mrs. Buie (Gr. K-1)	8:30-9:15 a.m. 9:15-10:00 a.m. 10:00-10:45 a.m.
Mrs. Blunk Counseling	TBA – Students who meet with Mrs. Blunk & are in need of her services should email her to set up a private Zoom (8:15 a.m.-12:15 p.m.).

SRCSP Approved by Brunswick R-II Board of Education on June 21, 2021

ALTERNATIVE METHODS OF INSTRUCTION

Brunswick High School Alternative Methods of Instruction Plan (Grades 7-12)

LEARNING PLATFORMS: Teachers will use Google Classroom to deliver online content in their respective classes.

FREQUENCY OF NOTIFICATIONS: Google Classroom will be utilized by all high school staff. Teachers will post assignments on or before the scheduled time listed on the “AMI Schedule”. Students are expected to check course updates daily and to communicate with their teachers with any questions about posted work for the day.

INSTRUCTION: Teachers will provide direct virtual face-to-face instruction and interaction with students using Zoom. The specific instructions for assignments will be in Google Classroom or emailed to students.

CLASS ATTENDANCE: Student attendance will be recorded and documented based on completion of assignments.

GRADING: Students will be held to the same standards, deadlines, and expectations as in-person learning. Letter grades will be given.

STUDENT SUPPORT: All teachers and other staff will be available to provide support and assistance for students from 8:15 a.m. - 12:15 p.m. After 12:15 p.m., messages will be responded to within one business day.

COUNSELING- Students who meet with Mrs. Blunk & are in need of her services should email her to set up a private Zoom (8:15 a.m.-12:15 p.m.).

SPECIAL EDUCATION LEARNERS: The specific needs of each special education student are outlined in the student's Individual Education Plan (IEP). Teachers will continue to apply the accommodations and modifications required for each student per their IEP. During a district closure, special education teachers will be in contact with students and/or parents on a daily basis to ensure the continuity of service is provided as is appropriate. Students with IEPs will continue to receive support services. Special Education case managers will continue to address individual IEP goals.
