

BRUNSWICK R-II SCHOOL DISTRICT

READING SUCCESS PLANS – PARENT INFORMATION

During 2022, the Missouri legislature passed Senate Bill 681 directly affecting districts, schools, teachers, and students beginning in 2023. This bill is aimed at increasing Missouri's reading scores by ensuring districts provide high quality instruction and targeted systems of support.

WHAT ARE READING SUCCESS PLANS (RSP)?

Reading Success Plans (RSP) are individual instructional plans created for students who are performing below grade level expectations in foundational reading skill development based on STAR assessments (state approved reading assessment). Students with an RSP will receive individual and/or small group instruction for specific skill gaps as well as notification of any tutoring opportunities and information on summer school enrollment as the year progresses. Families will be updated on progress throughout the school year.

HOW WILL I KNOW IF MY CHILD IS ON A READING SUCCESS PLAN?

During Parent/Teacher Conferences, teachers will share the results of your child's STAR assessment data with you. If they scored at-risk, your child's teacher will discuss the focus of the interventions and additional support they will receive in reading. You will be notified and provided a copy of the RSP. Your child's teacher will continue to communicate with you throughout the year about your child's progress.

HOW LONG WILL MY CHILD HAVE THIS PLAN?

This will be an ongoing plan for the entire school year. We will monitor progress every few weeks to check your child's growth.

If a student reaches their learning goals, it is possible for them to exit their reading plan. However, they may only exit their RSP if their progress monitoring assessments show that they have mastered those skills and their Spring Diagnostic proves this mastery.

HOW CAN I HELP MY CHILD AT HOME?

At Brunswick R-II, we know that partnering with parents and guardians can help students achieve high levels of success. We have provided links to reading resources for parents and guardians to help their reader on the Brunswick R-II School District website.
